

Brown Pigmentation inc. Birthmarks

- 1-3 Treatment adequate for most pigmentation
- Some discomfort goes with the procedure but treatment is fast
- Most freckles disappear with 1 treatment but some require multiple
- Birthmarks always require multiple treatments
- After treatment
 - Red, burning sensation, slight swelling
 - Light patches (may repigment)
 - Hyperpigmentation (more common in darker and Asiatic skin)
 - Birthmarks 1/3 respond, 1/3 return, 1/3 do not respond
